Loft Detail

Name: Joao Moutinho

Country: USA Post Code: 97301 Telephone: 15033645613

City: SALEM Email: joaomoutinho@topigeon.com

Street: 3510 Marion St.

Loft Information

Loft No.: TW 3510

Latitude: N044.94268 (DD)

Longitude: W123.03233 (DD)

Notes

OK Cancel

All is required to fill if you need to use the speed calculation function in Topigeon.com. The format of the coordinates should be same as Liberation Site. **NOTE: The coordinate has the format N043°60'23.000 (DMS) or N043.60230 (DD) and 122°11'23.123"(DMS) or E121.123123 (DD). E= EAST, W=WEST, N=NORTH, S=SOUTH.**

## Import lofts from previous version of Topigeon Club Manager

You can import the lofts from Topigeon Club Manager exporting the list of lofts in cote.txt as the next:

Member

Number of Members: 001

LoftNo	LoftName	clockCnt
TW 0714	Thomas	1

Buttons: Create TXT, Print, AddNew

## V8 Init

The button V8 Init, it will clean all the data of the clock and it will initialize the clock with the data of the loft you want to load it in. Choose the loft and then click V8 init, the clock will be saved with the loft you selected. The configuration of communication, pigeon data and races will reset, it is important to re-configure the APN and SMS phone number. **WARNING TO USE THIS BUTTON, IT WILL DELETE EVERYTHING. To use this CLOCK need to be connect to PC status.**

## 7 Pigeon List

This menu allows you to manage all the birds in your club:

Pigeon

Number of Pigeons: 11

Buttons: Add, Edit, Del, Data Export, Data Import

### Add/Edit

**Race of which Club, you can join race of other clubs if you know their SYSID**

Club: CORP      Race Season: OB23 Race of same race season will be grouped

Liberation Code: 5678 maximum 4 digits      Race Name: Portland

Liberation Date: 2023/05/23      Liberation Site: PDX

Liberation Time: 07 : 00      End Date: 2023/05/23

End Time: 18 : 00

Calculation Mode:  Fly Distance  Libr. Point

Calculation Speed(Liber. Point)

Latitude: N045.58716 (DD)      Longitude: W122.59618 (DD)

Unit: MIN. Speed (Meter/Min Only)

Neutralisation time(Optional)

Open Clock: 00 : 00      Close Clock: 00 : 00

Calculation of speed in Topigeon.com, double check that is by Liber Point Unit select Meter or KM

**Race Liberation Date, Liberation Time, End Date, End Time should be no ignore to have Calculation os speed in Topigeon.com**

Sort:  Default  Fly Speed      Birds arrivals sorted by Arrival time or Fly Speed (Loft coordinate and liberation point must be filled)

OK      Cancel

### Required to fill:

**Club:** Each club has its own club number, the default code is your own club code. It is possible to join the races of another club but you need to know their club code and their race number.

**Liberation Code:** maximum 4 digits (we suggest always 4 digits), each race has its own liberation code, 4 digits of liberation code + 4 digits of liberation date composed the race number.

**Liberation date:** Date of liberation.

**Liberation time:** Time of liberation of the birds.

**Cutoff Date and Cutoff Time:** End date and time of the race. (Don't ignore it, need to be FILLED IN)

### Optional

**Race Name:** Race Name

**Neutralisation time:** For multiple days races, the speed calculation will only count the effective time.

### **Speed calculation mode:**

- a. Fly Distance: Mainly for One Loft Race, fixed distance calculation.
- b. Liberation Point: If you have set the parameter of liberation site, the liberation point will be automatically input in the field. If not, please input your liberation coordinates to use the speed calculation.

### **Sort by:**

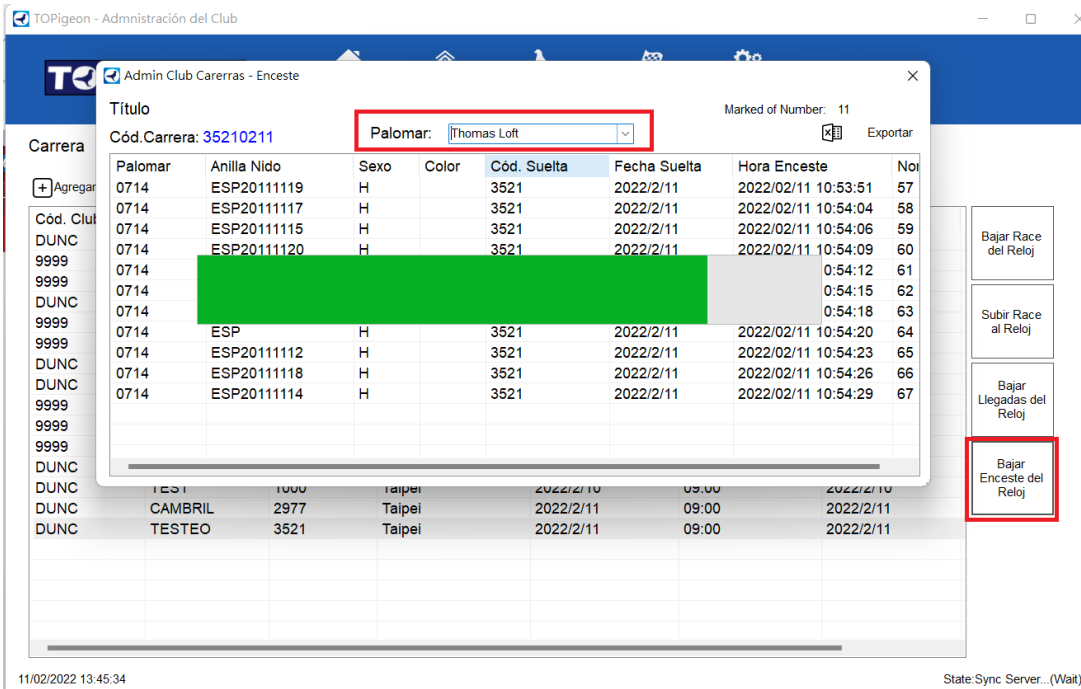

- a. Default: sorting by arrival time in Topigeon.com score.
- b. Speed: sorting by speed in Topigeon.com score.

### **The next buttons the CLOCK MUST BE IN CONNECT TO PC**

**Download Race Clock to PC button:** download the races of the clock to the program.

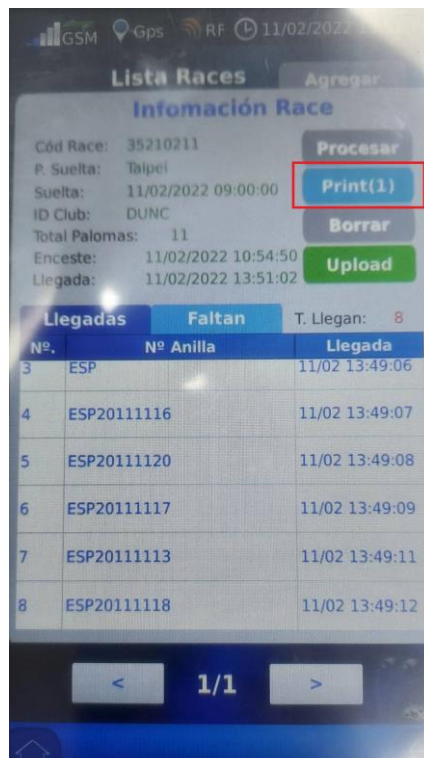

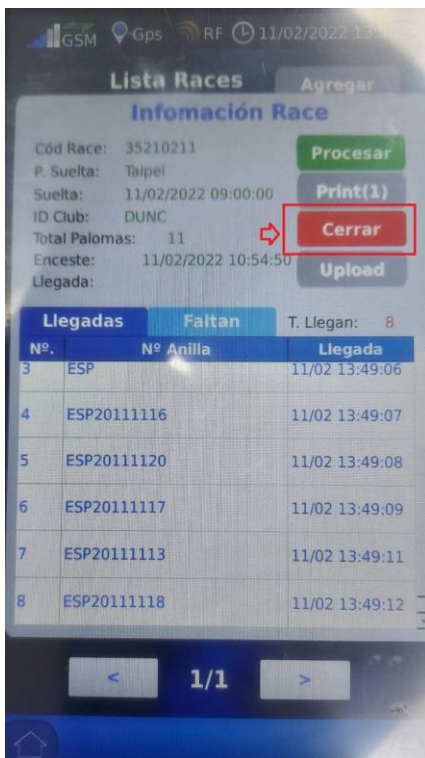

**Upload Race PC to Clock button:** upload the selected race to the clock from the program.

**Marked Download button:** Once finish the basketing, you can use this button to download the basketing data from the clock.

**Result button:** once the race has finished, you can use this button to download the results to the program.

NOTE: the race must be closed and printed, like below:

**WARNING! DON'T PRESS DELETE, OTHERWISE THE RACE WILL BE DELETED AND THE RESULTS CANNOT BE RECOVERED.**
